Why Marshdale?

Tucked into the beautiful Colorado foothills between Evergreen and Conifer, Marshdale Elementary is a small (313 students this year) mountain school that provides high quality instruction and character education to students in Kindergarten through 5th grade.

- Our school currently boasts 27 highly qualified teachers, full-time Kindergarten Paraprofessional support, Specials (Art, Music, P.E.) for every grade, and programming that meets the needs of each student where they are (physically, emotionally and academically).
- Marshdale is the proud multi-year recipient of the Governor's Distinguished Improvement Award and the John Irwin School of Excellence Award. We are also recognized for strong STEM and Project Based Learning opportunities and diverse before and after school Enrichment classes.
- A hallmark of our success stems from small class sizes, highly trained staff, low student to teacher ratios (12:1) and low student to staff ratios (8:1).
- This allows each student to flourish and feel successful.
- The Marshdale P.T.A. is a strong and active organization, which offers our students fun opportunities and raises funds to support our technology purchases, field trips, online licenses and other needs.
- State licensed before and after school care is available on site for the convenience of parents.
